Using the Practice Management Instructional Modules on Blackboard

URL:  https://courses.missouri.edu

Log-In:  Use your usual pawprint and password

Click on the Graduate Medical Education link under My Organizations

Click the Practice Management Modules course link

Course Link: /Content/Practice Management Curriculum
Click on the Module you wish to view.

Modules will look like this:

Videos were recorded at the Family Medicine Practice Management Seminars. Some of the readings were included with the seminar, others are related readings. Follow the instructions for the module—watch the video, read the information, take the quiz. Scores are automatically recorded.
